Re: Case No. 22-11068 (JTD) – Application for the return of cryptocurrency token Solana from the exchange

CLERK
U.S. BANKRUPTCY COURT
DISTRICT OF DELAWARE

Dear Judge Dorsey,

My name is Borodko Maksim an account holder and creditor in the above-referenced bankruptcy case of FTX Trading LTD. [REDACTED]

At the time of declaring bankruptcy, I owned 300 Solana(SOL). It is important to note that my primary goal is to return these tokens, and not their equivalent in US dollars.

The bankruptcy process involves complex issues of asset allocation, and I understand that decisions are made in the interests of all creditors. However, I urge you to consider the possibility of returning my cryptocurrency assets to me in kind, given the unique nature of these assets.

I place my trust in the bankruptcy process and in your judgment to uphold the principles of fairness and equity. I hope that my plea, along with those of many others in similar positions, will be heard and given due consideration.

Thank you for your time and understanding in this crucial matter.

Respectfully,

Borodko Maksim
